

Celebrating 24 Years of President's Club

The Noonoo Pinsler Donato Family Wealth Management Team Celebrates Their 24th Year in the TD Wealth President's Club

At TD Wealth, we are committed to serving the needs of our most important clients. This is why we have a prestigious program that, each year, recognizes our top advisors who provide high net worth service: TD Wealth President's Club*. In 2018, we handpicked only 36 top practitioners from more than 1,000 across TD Wealth, whom we feel best serve our affluent clients.

We are pleased to announce that your advisory team of Noonoo, Pinsler Donato has been counted once again among one of our finest high net worth service providers, as they have been every year since Clifford Noonoo joined TD Wealth Private Investment Advice in 1994.

We consider the Noonoo Pinsler Donato practice to be one of our best as our choice reflects the integrity, dedication and professionalism they bring to serving clients, as well as their ability to constantly meet and exceed the firm's high standards on all measures of performance.

With their expertise in investments and planning, dedication to continued education and exemplary service model, this team is committed to bringing the best TD has to offer to each and every client.

Using their family wealth service model that has been time-tested for over 20 years, I believe that Noonoo Pinsler Donato will continue to be your single point of contact to provide the high-quality investment advice and personalized service that you have come to expect as they co-ordinate all of your financial affairs through the firm.

Please join me in congratulating Noonoo Pinsler Donato on their high achievement; you are being served by one of the best advisory teams at TD Wealth.

Sincerely,

Stephen Bourbonnais
