Lee Stuart Bryson Biro Family Office

Founded over 22 years ago by Ben Lee and Stephen Stuart, our practice has grown steadily and now includes Tara Biro and Wayne Bryson. At Lee Stuart Bryson Biro (LSBB) Family Office we believe that wealth management encompasses far more than day-to-day investment advice.

Standing at the heart of our practice is the one-on-one relationship we build with each client. That relationship is based on, and driven by, an unparalleled level of personal trust, communication and understanding.

It covers discretionary and non-discretionary investment planning and lifestyle protection, real estate and education funding, retirement strategic counsel, inter-generational wealth transfer and legacy creation. All are inter-connected and no effective total wealth plan can afford to ignore them.

Through our longstanding relationships with accountants, lawyers, estate planning and other professionals, we are positioned to provide our clients with expert advice on virtually every aspect of their financial and wealth planning needs.
