BA, CFP®

## Investment Advisor

**Gunther Rappi** works closely with clients at HarbourStone Wealth Management to help bring clarity and structure to their financial decisions. He supports individuals, families, and business owners as they navigate evolving priorities—often balancing day-to-day needs with longer-term goals such as retirement, wealth accumulation, and financial security.

With over a decade of experience in the financial sector, Gunther brings a well-rounded perspective shaped by his earlier roles across TD Bank Group. This foundation provides him with a broad understanding of both banking and wealth management, allowing him to support clients with practical, thoughtful guidance tailored to their unique circumstances.

Gunther's approach is grounded in financial planning. By taking the time to understand what matters most to each client, he helps provide direction and clarity as financial decisions become more complex over time. He holds the Certified Financial Planner (CFP®) designation, reflecting his commitment to ongoing professional knowledge and disciplined planning.

Outside of his professional work, Gunther remains deeply connected to the local community. He has been actively involved in the agricultural sector, including serving for many years on the Board of Directors of the Port Hope Agricultural Society, and has volunteered with organizations supporting at-risk youth.

Gunther lives on a hobby farm, where he enjoys time with his family, cooking, and equestrian riding—interests that reflect his strong connection to the rural and agricultural community he serves.
