Join LeanIn Wealth Management while we celebrate two all-time favourite Maple Leaf greats, while raising funds for Interval House in Hamilton.

It will be a night of fun and laughs with former Toronto Maple Leafs captains, Doug Gilmour and Wendel Clark, as they answer your questions, and share some of their greatest hockey memories and tales.

All guests will receive a red carpet photo with Doug and Wendel, limited edition print, and specialty hors-d'oeuvres and cocktails throughout the evening. Susannah and Steve Staios, President and General Manager of the Hamilton Bulldogs, and ambassadors for the 'Be More Than a Bystander' program at Interval House, will also be on hand.

\$600 per cabaret table for four • \$150 per floor ticket • \$85 for balcony seating
