Scott Keeping,

B.Comm., CIM®, CFP®, CIWM, FCSI®

Senior Portfolio Manager & Senior Investment Advisor

Scott Keeping is a Senior Portfolio Manager and Senior Investment Advisor with TD Wealth Private Investment Advice, working with high-net-worth individuals, families, and business owners. He helps clients simplify financial complexity by structuring, growing, and preserving wealth through tailored investment strategies and wealth planning aligned with long-term goals.

Acting as a lead relationship advisor, Scott coordinates closely with a team of TD specialists to deliver integrated portfolio, tax, and estate planning solutions. With over 25 years of industry experience, he joined TD Wealth in 2011 after roles with Island Savings Credit Union and Credential Securities, and holds the Chartered Investment Manage (CIM®), Certified Financial Planner (CFP®), and Certified International Wealth Manager (CIWM) designations, as well as the Fellow of the Canadian Securities Institute (FCSI®).

Born and raised on Vancouver Island, Scott is a University of Victoria graduate and a Top 40 Under 40 honouree, known for building long-term client relationships grounded in trust, discipline, and results.

Away from the office, Scott enjoys spending time with his wife Meghan and daughter Taylor. After a competitive Junior and College golf career, he enjoys playing the occasional recreational round. Scott is passionate about volunteering and supporting local charities and events that are most meaningful to his family and clients.
