Your Remarkable Homes Require Remarkable Coverage

Let us customize an insurance plan that protects your assets. Whether it's your primary residence, a seasonal home or your condo, we can help you protect the lifestyle you've worked so hard to build. And while we may provide you with a tailored appraisal report or the right amount of coverage, our goal is to ensure you're supported every step of the way. With TD Insurance Private Client Advice you are, first and foremost, our top priority.

Tailored Protection for Your Prized Possessions

You've created a prized collection of luxury vehicles and watercraft which you've maintained meticulously over all these years. We share your attention to detail and understand that you require coverage of your assets to be equally protective.

A Custom Service to Meet Your Every Need

When you need to make a claim, one of our specialized contractors is immediately contacted. Our vendors are specifically selected based on their experience and reputation. But of course, you always have the option of selecting your own, if you prefer. We also offer guaranteed home replacement cost and cross-border coverage so that you're protected in every instance.

Your Unique Lifestyle Deserves a Unique Service

With a specialized in-house home and auto insurance platform for high-net-worth clients like you, we can provide you with a level of service that anticipates your every need and exceeds your expectations.

Our Private Client Advice team has the expertise and the experience to handle complex portfolios. Along with our proactive advice, customized coverage and client relationship management, we provide a dedicated service to support and empower you, so that you can make sound and calculated decisions when it comes to protecting what matters most.
