

## Walking in my shoes

Happy new year everyone! I hope everyone enjoyed the holidays and hope you are having a wonderful start to the New Year!

What a year it has been. Many of you know that my husband and I enjoy traveling and we took a trip of a lifetime to the Galapagos Islands in Ecuador in March of 2018. We absolutely loved it and if it's on your bucket list we would highly recommend going. We enjoyed a summer of camping, boating, kayaking and enjoying our beautiful BC. We took a week off and visited the Island of Roatan in Honduras for our 10 year wedding anniversary where we enjoyed exploring, diving and relaxing. Finally, we took in a couple of trips to my home town Melville, Saskatchewan in June for my niece's graduation and again over Christmas. It was great to see my family and hard to believe my niece is now done her first semester of University! Time sure flies! She is a skilled ball player (pitcher is her position) and she made the University of Regina woman's softball team. It was a very exciting experience for her. We were very happy the weather co-operated over Christmas and was only -5 to -10 degrees so we were able to enjoy skating on outdoor rinks. What more of a Canadian experience is that!

Oxana and I are busy getting ready for 2019. Oxana is studying hard for a series of exams that will enable her to enter trades for clients. We hope you are all well and please don't hesitate to call us if you need anything as we are here to help in any way we are able.

Finally, I would like to mention that since the majority of my business is built through referrals, I would welcome the opportunity to help your friends, colleagues and family who may benefit from the type of services I provide. I would also like to extend my thanks to all of those who recently provided me with referrals. Feel free to pass on my website information to those you feel may be interested.
