Associate Investment Advisor

Tel: (514) 289-1697 | marc.robillard@td.com

As an Associate Investment Advisor, Marc Robillard has been supporting our wealth management clients since 2009 at TD Wealth Private Investment Advice. Marc began his career in 2005 at RBC DS, within Charles's team.

Marc earned a Bachelor of Business Administration in Finance from the School of Management Sciences at the Université du Québec à Montréal (ESG UQAM). He holds the Chartered Investment Manager (CIM®) designation and is also licensed to offer Options strategies. Always eager to expand his knowledge, he remains at the forefront of financial products to help his clients achieve their goals. He plays a central role in the smooth execution of operations, particularly by overseeing that buy and sell orders are carried out with rigor, fairness, and efficiency for the benefit of our clients and model portfolios.

Applying a conscientious approach, he seeks to thoroughly understand his clients' needs, as well as maintaining transparency regarding the performance of their investments.

Within the team, Marc also supervises the Associate Investment Advisor team as well as those who oversee compliance requirements on the team.

Outside of work, Marc enjoys spending time with his children and relaxing at his retreat in Estrie. An outdoor enthusiast, he also enjoys hiking, traveling, and has a strong appreciation for music.
