

## Salvatore (Savi) Scalise, CIM<sup>®</sup> B. Comm (Hons)

### Associate Investment Advisor

---

Salvatore has been a member of the team for the past 4 years, bringing a disciplined and thoughtful approach to wealth management. As an Associate Investment Advisor, he works closely with individuals and families to develop comprehensive financial strategies that extend beyond investment performance. He believes a successful plan begins with understanding each client, their goals, values, and long-term vision and building strategies designed to support them through every stage of life.

As a husband, father of two daughters and proud dog owner, Salvatore understands firsthand the importance of balancing today's priorities while planning for future security. He brings that perspective into every client relationship, prioritizing trust, transparency, and confidence.
